

*18th Annual Rev. Robert J. Lysz
Memorial Golf Tournament
Benefitting St. Matthew School*

It's Almost Tee Time!

Dear Golfer:

The weather is getting nicer and the golf courses are opening up for the season! Time to plan your summer outings! Please come join us on **Thursday, August 17th** as we gather at **Chippanee Country Club for our 18th Annual Father Lysz Memorial Golf Tournament** benefitting St Matthew School. Whether you are a parishioner, an alumni, parent or grandparents of a current or past student, or a Bristol or surrounding town resident; what a great way to make a connection to St. Matthew School! We are reaching out to you in order to invite you to become a vital part of this annual event! Your support and participation is needed and greatly appreciated!

Gather your friends or family members and create a twosome or foursome! Come enjoy a delicious lunch on Chippanee's gorgeous patio before teeing off. After your round, stay for dinner, raffle prizes, good company and some good laughs (I'm sure!) about the day's events!

Enclosed you will find more information regarding our tournament. We thank you for taking the time to consider joining us again this year. Our students and school depend on fundraisers like this one to keep our doors open and our young minds learning.

Together, we can all make a great difference in the lives of the current and future students of St. Matthew School. Let your contribution live on in the halls of St. Matthew; the place where educating minds and hearts matter!

God Bless!
