Welcome students and parents to a new academic year at St. Matthew Catholic School!

We are greatly blest to begin a new year of learning and discovery. Always we must thank God for these grace-filled opportunities to grow in our faith. It is my prayer that God may watch over everyone—our students, parents, teachers and administrators—and that He gives us each of the blessings of wisdom and understanding, patience and charity throughout this new school year.

With trust in God and much joy in His love, let us all pray for one another and St. Matthew Catholic School!

Fr. Dietrich  
Pastor, St. Matthew Catholic Church
